APM Construction
P.O. Box 8925
Station A
Halifax, N.-S. B3K 5M6

To Whom It May Concern :

We have moved in a new Dealership constructed by APM Construction in September 2003.

APM Construction has a team of people very professional and knowledgeable and are doing superior quality of work.

The building is solid and did not moved an inch, the site drain very well and seem durable. *I would strongly recommend APM Construction as contractor and consulting company for any type of work.*

Yours truly,

Lucien Leblanc, *Dealer Principal*
