THE RCMP's "L" DIVISION RECRUITING SERVICES MOVE TO APM PLACE

The Prince Edward Island "L" Division Royal Canadian Mounted Police (RCMP) have relocated a number of its administrative staff to APM Place. Formerly housed at the RCMP Prince Edward Island headquarters on University Avenue, the Prince Edward Island "L" Division Recruiting Services has relocated to the newly developed office, at 3 Lower Malpeque Road in Charlottetown. The new professionally designed and secure office space is located on the fourth floor of the APM Place allowing easy access for anyone looking for information about a career in the RCMP.

APM Place is Charlottetown's newest office development, incorporating both technology and green infrastructure creating a vibrant and professional environment for tenants. With the addition of the RCMP the building has quickly reached full occupancy since it's doors opened in the fall of 2008. The development is also occupied by the Department of Veterans Affairs and APM Construction Services, housed on the first three floors and Pan-American Properties sharing the fourth floor with the RCMP.

APM Place has incorporated green technologies in its design by utilizing an enhanced thermal envelope, high grade insulation and minimal environmental exposure of the main floor, state of the art heating and air conditioning systems, an advanced building energy management system, solar hot water heat, electric heat source, low flow plumbing fixtures, and low E thermal glazing throughout. Each tenant has secure swipe-card access to their respective offices and the building utilizes a state-of-the-art, multi-stage, air conditioning system that is remotely managed by desktop controls.

The building is part of the APM development situated in Charlottetown's regional services area that also includes Landmark Plaza. In close proximity to the Royalty Power Centre, Charlottetown Mall and West Royalty Industrial Park as well as the growing communities of West Royalty and Cornwall, the development provides ease of access to tenants, clients and customers with significant parking and views of Ellen's Creek to the properties rear. APM Place and Landmark Plaza are in close proximity to the intersection of Lower Malpeque Road and Capital Drive, the former Trans-Canada Highway.

APM – www.apm.ca

Since 1980 APM has provided construction and design-build services that include construction management, engineering and general contracting. Our principles of Service, Trust and Value are our foundation for the delivery of every aspect of completing new building and renovation projects. APM operates Canada-wide with offices in Charlottetown, Halifax, Toronto and Calgary providing construction services to a host of local, regional and national clients.
