Paul has been employed with APM since 1992. With over 30 years of business experience, Paul is currently responsible for cash management, internal financial reporting, human resources and safety. Paul is also the senior manager responsible for our Benjamin Moore House of Excellence retail operations in West Royalty and Storemark fixtures manufacturing operation in Stratford.

Paul began his career with APM as controller. When APM purchased Southport Home Hardware in 1998, Paul assumed the challenge of managing the operation. He helped to set up and develop the new store which doubled in both size and sales, managing a staff of over 100 employees. When the Home Hardware operation was sold in 2007, Paul returned to his current position as part of the APM senior management team.
