Department of Fisheries Area Office

165 John Yeo Drive - Royalty Power Centre
Charlottetown, Prince Edward Island

The state-of-the-art facility accommodates office and warehouse space created specifically for the needs of the DFO's Conservation and Protection Program. This branch promotes and maintains compliance with legislation, regulations and fishery management measures to achieve the conservation and sustainable use of Canada's aquatic resources, and the protection of species at risk, fish habitat and oceans.

Size: 33,000 sq. ft.

Budget: +/- \$6,500,000

Type: New Build
