

Storemark

198 Spring Park Road
Poole's Corner, Prince Edward Island

Size 85,000 square feet
Budget \$2,014,800
Type Expansion

Storemark / atlantic store décor realized tremendous growth in their millwork and specialty stand alone fixtures, showcase and display unit business. The demand for their products required a new production facility for them to meet their sales orders. APM Construction Services was approached to perform, and deliver, design build services for a new 85,000 square foot production facility
